

OMRON HEALTHCARE, INC. API TERMS OF USE

IMPORTANT LEGAL AGREEMENT: Omron Healthcare, Inc. (“Omron”) grants you a limited, non-transferable, non-exclusive license to use the accompanying information, configuration and interface data, and other content, in either electronic or written form, (collectively, the “Information”) for the sole purpose of interoperability between your product and the Omron product to which the Information relates (the “Omron Product”). Your use of the Information is subject to your acceptance of these terms and conditions (the “Agreement”). If you do not want to be bound by this Agreement, make no use of the Information and destroy all copies in your possession. You shall have no right to use or possess the Omron Product, except to the extent you have separately purchased or licensed the product from Omron. All use of the Omron Product shall be subject to Omron’s then current purchase and license terms for the relevant product. The Information constitutes valuable trade secret information of Omron. Except for the limited license provided above, Omron reserves all rights, title, and interest in and to the Information. You agree to hold the Information in strict confidence and not to share the Information with any third party, including any end users of your products, except on an as-is, confidential basis to those end users who have a separate license from Omron for use of the Omron Product. Omron may change the Omron Product at any time, without notice. Such changes may impact the operation of any interfaces created using the Information. You are solely and exclusively responsible for ongoing testing and quality assurance of your product to ensure proper operation of the interface and data exchange with the Omron Product. Omron sets and enforces limits on your use of the Information or any Omron Application Program Interface (“API”) (e.g. limiting the number of API requests that you may make or the number of users you may serve), in our sole discretion. You agree to, and will not attempt to circumvent, such limitations documented with each API. If you would like to use any API beyond these limits, you must obtain Omron’s express consent (and Omron may decline such request or condition acceptance on your agreement to additional terms and/or charges for that use). The license granted above will terminate automatically in the event you breach any term of this Agreement. THE INFORMATION IS PROVIDED “AS-IS,” WITHOUT WARRANTIES OF ANY KIND. OMRON DISCLAIMS ALL WARRANTIES WITH RESPECT TO THE INFORMATION, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF NON-INFRINGEMENT, TITLE, MERCHANTABILITY, QUIET ENJOYMENT, QUALITY OF INFORMATION, AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT WILL OMRON, ITS AFFILIATES, OR ANY OF ITS OR THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, REPRESENTATIVES, AGENTS, LICENSORS, VENDORS, MEMBERS OR PARTNERS, ATTORNEYS, PREDECESSORS, SUCCESSORS OR ASSIGNS BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY DIRECT, INDIRECT, PUNITIVE, EXEMPLARY, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE INFORMATION, EVEN IF THEY HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR LOSSES. IN ANY EVENT, THE MAXIMUM LIABILITY OF ANY OF THE FOREGOING PARTIES FOR ALL CLAIMS OF EVERY KIND ARISING OUT OF THE INFORMATION WILL IN NO EVENT EXCEED TEN DOLLARS (\$10). You agree to indemnify, defend, and hold Omron harmless from and against any and all claims, including claims by end users or customers, arising out of your use of the Information. You hereby waive any and all claims, now known or later discovered, that you may have against Omron and its suppliers/licensors arising out of your use of the Information.
